The mission of the Houston Psychoanalytic Society is to promote psychoanalytic and psychodynamic principles and engage the community at large in creative discussions about psychoanalytic thought and application.

The Houston Psychoanalytic Society is a leading source in southeast Texas for continuing education for mental health professionals presented by experts in psychoanalytic research, practice, and application at discounted fees for members. If you are not a member and are interested in joining, or you are a member and would like to become more active, please contact a Board member and join us in our mission!
